

Please don't ever
appear before me or
my boyfriend ever
again.

**IT'D BE
GREAT IF
YOU DIDN'T
EXIST!**

I'm sorry
if I'm coming off as rude
but I really wanted to
make sure you
know.

He looks
pretty okay on the
outside, and he was
friendly to you so you
may only know his good
points, but

I enjoy go deep inside

... Anyways,

I know you think he's
okay, but he's actually
a bit...

You're pretty
calm

Had you acted this
way when we first
met,

... It could have
ended much
quicker.

Well at that time...
We were both a bit
crazy, right?

At least we can talk
it out this time

Anyways,

What if I say I
don't want to?

I don't understand
why I should be the
one giving up.

And if you keep
meeting him, then you
may see me as well.

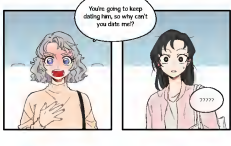

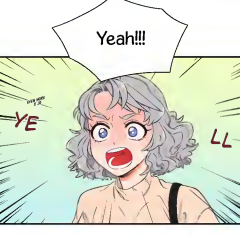

So maybe she's waiting for me to break up with him first.

YOU LIKE HIM?

THIS IS FISSING ME OFF A BIT.

I really don't get why you like him so much that you even forgive him for cheating on you,

but even more than that, compared to that kind of awful,

dumb brained,

no witned guy,

I would treat you a hundred times better than him, so

if you're going to be like that,

Go out with me instead of him!

I am too stupid

I think you're misunderstanding something,

but I

don't intend

dating him again...

BLUSH

HASNT FULLY PROCESSED THE SITUATION YET, BUT FEELS THAT SHE MADE A MISTAKE ANYWAYS
